

**SO ADVANCED, SO DURABLE,  
YOU MIGHT CONSIDER WILLING IT TO YOUR  
GREAT, GREAT, GREAT GRANDCHILDREN.**

What do you get when you combine 21st century LED circuitry with legendary durability?

A useful tool for an entire lifetime. Or several lifetimes.

Introducing the new Maglite® LED flashlight.

As precision an instrument as we've ever designed, combining legendary Maglite durability with state-of-the-art LED technology.

You'll find a powerful projecting beam that focuses effortlessly by simply rotating the head.

You'll find Balanced Optics™, combining a highly refined reflector with a quality LED, for a brilliant, adjustable beam.

And you'll find Intelligent Energy Source Management that balances intense brightness with efficient power usage to make your batteries last even longer.

All told, it's a well-crafted instrument designed to perform for a very long time.

Consider it an investment of sorts.

Your children's children's children will thank you one day.
